

Grenville County Historical Society

A Community Builds on Its Past

Open June to August: Monday to Friday, 10:00am to 4:00pm
September to May: Tuesdays, 10:00am to 4:00pm

First organized in 1891 as the Grenville Pioneer and Historical Society, GCHS was re-established in 1960 and has been in operation for over 50 years.

The old Grand Trunk Railway Station in Prescott ON houses their extensive collection of documents and records relating to Grenville's history. Thanks to members of the society, the station has undergone extensive renovations to accommodate the collection.

Unique to the collection are; local church and civil records, scrapbooks, family genealogies, artefacts, and photographs. Experienced volunteers have organized a large library of books, maps, newspapers, land records, slides and microfilm. They are happy to guide online or in-person researchers through cemetery, census, military, birth, marriage and death records.
